Dear Mr. Modarres:

On March 2, 2015, the Federal Election Commission notified the Committee of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended. On March 15, 2016, the Commission found, on the basis of the information in the complaint and information provided by multiple respondents, that there is no reason to believe the Committee violated 52 U.S.C. §§ 30116, 30118, or 30119 by making or receiving prohibited in-kind contributions in the form of data and analytical tools and no reason to believe the Committee violated 52 U.S.C. §§ 30116 or 30118 by making or receiving prohibited or excessive in-kind contributions in the form of coordinated communications. Accordingly, the Commission closed its file in this matter.
